Course:

Lecturer:

Location:

I am attending: ☒ ☐

If cross is clicked, pop-up will show:

Are you sure you want to dismiss yourself from this meetup?

Yes

No

Page refreshes, meet-up is deleted

The diagram illustrates a web browser interface for an 'E-Learning Resource'. The browser's address bar displays the URL 'http://domain-name.com/account-settings'. The left sidebar features three navigation links: 'Profile Info', 'Notification Settings', and 'Manage Courses'. The main content area, titled 'Edit Notifications', is divided into two sections: 'General' and 'Messaging and Forums'. Each section contains a list of notification preferences with checkboxes. The 'General' section includes 'My organised meetups' and 'Recent stories'. The 'Messaging and Forums' section includes 'When I receive a message', 'Replies to my threads', and 'Replies to discussions I am following'. A 'Save changes' button is located at the bottom of the main content area.
